

Recall Information

Summer Breeze 5 drawer chest

South Shore Furniture will fulfill in cooperation with Health Canada a voluntary recall of the **South Shore Summer Breeze 5-drawer chest models: 3746035, 3210035, 3294035 and 3219035**. Furniture over the height of 30 inches represents a tip over risk, especially if the anchor kit supplied by the manufacturer is not applied.

Name of Product:

South Shore Summer Breeze Juvenile 5-drawer chest models: 3746035, 3210035, 3294035 and 3219035

Hazard:

These chests are unstable and can tip-over if they are not anchored to the wall, posing a tip-over and entrapment hazard that can result in death or injuries to children.

Remedy:

Stop the use and place the recalled chest into an area that children cannot access, if you have not installed the tip over restraint provided with your product. Contact South Shore to receive a new anchor kit if you have not installed it or no longer have it in your possession. An installation video is available at the bottom of this page.

Recall Summary

Affected Products :

The model numbers include:

3746035

3210035

3294035

3219035

Since 2010, all South Shore products over 30 inches are delivered with a tip over restraint that meets the U.S. voluntary industry standard (ASTM F3096-14). However, South Shore feels that it is important to contact you to remind you of the necessity to anchor your furniture.

Rest assured that the safety and well-being of our customers are of the utmost importance to us. We constantly improve our products in order to comply with and surpass the highest safety and quality standards.
